Hi,

I saw your listing on Ancestry.com and I was curious about someone you have listed. I am doing research on one particular branch of my family tree and I came across your listing for a Jane Gibson who married George W. Winters. My grand father's mother (Rachel Adaline Winters Hammitt) was a Winters. Rachel's father was John Winters who is George W. Winters son. George is the husband of Jane Gibson. Here is my family tree. I wonder if you have any more information since your initial posting.

Thanks,
 Bill Underwood
