She married **William Lyon**<sup>13</sup> 1782 in West Chester, Chester Co., PA<sup>14</sup>. He was born November 15, 1755 in Parish of Ballyrashane, County Derry, Northern Ireland<sup>14</sup>, and died Abt. 1832 in Morgan Co., OH<sup>14</sup>.

Notes for William Lyon:

William Lyon was born on the fifteenth day of November 1755 in the Parish of Ballyrashane, County Derry, Northern Ireland. He left Ireland in 1772 bringing with him the family bible, which eventually became lost during his movements in America.

He is listed as an indentured contract boy in Philadelphia, Pennsylvania to Stephen Shewell for a period of one year. There are persistent stories that he was one of 2 to 4 brothers who migrated together, though in the immigration lists he is alone.

In August of 1776, while a resident of Leacock Township, Lancaster County, Pennsylvania, William joined the Pennsylvania Militia as a private in Capt. Scott's Company, Col. James Crawford's Regiment for a 2 month enlistment. That term having expired he immediately reenlisted for another two months in Col. Klotz's Regiment of the Second Battalion of the Lancaster County Flying Camp. He marched to Paulsboro on the day that the English took New York and on the same day a part of his regiment was ordered to Staten Island, New York to attack a place called Cocklestown. During a skirmish in which they took the first Hessian prisoners they discovered these were the first Hessians to be taken by Americans.

In November of 1776 William volunteered to go to Fort Washington and in a battle on the 16th or 17th of November received a musket ball in his right thigh. He was taken back to Ft. Lee, New Jersey to the hospital and eventually was dismissed from the hospital at Bethlehem, Pennsylvania in January of 1777.

Being "unable to labour as before", William Lyon went to West Fallowfield, West Chester, Pennsylvania to study shoemaking. According to his declaration for pension benefits, he was idle from January 1777 to September of 1779 when he volunteered for a naval enlistment on board the ship "Flora", commanded by Captain Down. They sailed to the West Indies returning to Philadelphia in July of 1780. Records from the Pennsylvania Archives have William Lyon serving with the Fourth Pennsylvania Regiment in Captain Fishbourne's Company in 1777 and in the Invalid Corps in 1778. If this record belongs to our William Lyon then one must speculate on its omission from his declaration for pension in the war.

The Fourth Pennsylvania was the "mutiny regiment" and they marched on the state house in Trenton, New Jersey, then on the legislature and Continental Congress in Philadelphia. All they

wanted was clothing and back pay but unfortunately got nothing. A few were executed at Washington's insistence and the rest were punished by being sent to New York to fight the Indians in winter.

Returning to West Fallowfield in Chester County, Pennsylvania, William married Margaret Gibson, daughter of Andrew and Margaret Gibson of Chester County. This event probably took place between 1780 and 1781. In a list of residences given to the court as part of his declaration of service, William states that he moved from Chester County in 1784 to Cumberland County (later Mifflin), Pennsylvania. Thus began a long series of moves culminating in a final destination in Morgan County, Ohio in 1829.

William was awarded his veteran's 100 acres, then later sold the land in 1797 while a resident of Westmoreland County, Pennsylvania. The 1800 Census of Westmoreland County shows a William Lyons with 2 females and one male under 10, one male between 26 and 45 and one female between 16 and 26 years of age, the latter two being William and his wife. I believe this to be the Lyon's most likely to be our ancestor.

On a tax list for Belmont County, Ohio, William appears next in 1810 along with sons Thomas and John. While a resident of Belmont County he purchased land in Range 11, Township 5, Section 19. William must have moved to Tuscarawas County by 1820 where he is counted in the census of Dohrman Township along with son, Thomas, age 31 and George, about 20.

In 1824, son John, as a resident of Belmont County, purchased lands in Morgan County, Ohio in Range 9, Township 4. In 1829, son Thomas, while a resident of Tuscarawas County, Ohio, purchased land in Range 9, Township 6, Section 18 which he and his wife Menie Lowrie later sold to his brother, George Lyon(s). In 1832 son John, by then a resident of Morgan County, Ohio, purchased land in Range 9, Township 6, Section 6 just north of the town of Sharon, Ohio which was established in 1830. It should be noted that during the early years of land sales, taxes were not collected until 5 years after the initial land purchase.

In the 1830 Census of Morgan County, Ohio, William is not listed as head of household. He and his wife are probably living with son John in Olive Township. They were members of the Olive Presbyterian Church in 1831 and in 1832 they contributed money towards the building of a new Presbyterian Church in Sharon, Ohio.

William applied for his Revolutionary War Pension in 1832 and although it was awarded him he never collected on it due to his death. We have no record of his date of death but the Margaret Lyons who's death is recorded in the Sharon Presbyterian Church records (April 14, 1833) could very well be his wife.

The pursuit of William Lyon has been long and exhaustive with many hours spent in correspondence with other descendants, searches through court records and visits to the area where William and his descendants lived and were buried in and around Sharon, Noble County, Ohio. There are no records of birth, marriage or death but enough evidence in other public records to put together a chronology of his life. I believe William was a man of courage,

determination, loyal to his adopted country and filled with a pioneering spirit rooted in his religious faith. We can be proud indeed to claim William Lyon our immigrant ancestor.

Notes for Oliver Perry Crawford:

From "History of Wabasha County" (Minnesota) published 1884

Rev. Oliver Perry Crawford, one of Elgin's pioneers, was born in Indiana, December 17, 1818.

He is a son of Joseph Crawford, who ran a flatboat on the Ohio and Mississippi rivers. O. P.

Crawford was reared in Indiana, and married Mary Ann Gibson, February 27, 1838. Mrs.

Crawford was born in Brandywine Hundred, Delaware, January 29, 1817, and her parents,

Joseph and Nancy Gibson, were also natives of that state. Mr. Crawford was the owner of a farm

in Indiana, built and operated a mill, and practiced medicine. He arrived in Elgin on the 30th of

June, 1857, and settled on section 8. At this time he was a local preacher of the M. E. faith, and

often conducted religious services at his house and at various points in the vicinity. Besides

giving his own services gratuitously he was a liberal supporter of the itinerancy. He was an

Abolition Republican, and served several years as town supervisor, and also as county

commissioner. He enlisted in the third Minnesota regiment, but was rejected from service on

account of physical disability. His present home is in Iowa, where he is an itinerant preacher of

the Free Methodist church. Of his thirteen children, all but four are living, as follows: Russell

Martin, Brookings, Dakota; Andrew G., Atlantic, Iowa; Sarah J. (Mrs. William Quigley), Big

Lake, Wisconsin; Nancy T. (Morrison), Monroe, Iowa; Henry B., New Sharon, Iowa; Oliver P.,
